Please join us for our OPEN HOUSE!

Thursday, September 17, 2009
4:00pm – 5:30pm
House of Hope, Los Gatos Food Pantry
16286 Los Gatos Boulevard at Shannon Road

West Valley Community Services (WVCS) invites you to visit our all-new food pantry, the ***House of Hope***, serving our neighbors in need from the communities of Los Gatos, Monte Sereno, Saratoga and West San Jose. Working in partnership with Calvary Church of Los Gatos, WVCS has transformed this once single family home into a community food pantry that will serve hundreds of local residents living with food insecurity.

Please join us for this important milestone in our rich, 36-year history of serving Silicon Valley residents in need. Take a tour of the food pantry and case management office, stroll through the organic garden, and admire our new refrigerated mobile food van, a generous donation from our partners at Cadence Design Systems.

For more information, call 408-255-8033 x305, or visit www.wvcommunityservices.org

We hope to see you on September 17th!
