

You are truly remarkable!

We have received a donation from <<Donor Name>> in honor of you for this Mother's Day, and we want you to know how special you are! Your impact and influence on <<Donor Name>>'s life have been significant and memorable, and we are grateful for your love, kindness, support, and strength. As a tribute to you, West Valley Community Services honors you on this special day. Happy Mother's Day, and we hope it is a wonderful and memorable one!

<<Donor Name>> also wanted to say: "<<Special message here>>"

This meaningful donation, in your honor, will go towards helping mothers in need. It will help empower mothers in the west valley area to support their families. Darcy is a single mother of two young children. As an immigrant she struggled to find a job in order to provide for her family during the pandemic. Prior to the pandemic, Darcy was barely managing her family's living expenses by working odd jobs that paid her in cash. She

needed help with her rent to keep her young children off the streets and took loans to continue paying rent. She is beyond grateful for the rent help that WVCS was able to provide her family through the HPS CV program.

Thank you for being who you are. Happy Mother's Day!

With lots of love,

The West Valley Community Services Team
